

MUSEUM OF MILITARY HISTORY IN PIEŠŤANY

EXPOSITION PIEŠŤANY

Museum Department in Piešťany houses a permanent exhibit The Weaponry and Equipment of the Czechoslovak Army from 1945 - 1992, which opened in September 2004. In the three exposition hangars and in the exterior the visitors can see more than 400 museum pieces of various weapons and military equipment.

In the exterior there is a display of artillery and engineer equipment, tanks and armored vehicles, military airplanes and anti-aircraft weapons. **Exposition hangar 1** represents the core of the whole exhibition. There is a display of the wheeled armored vehicles and other armored vehicles and artillery equipment used by the Czechoslovak People's Army (ČSLA) from the fifties up to the eighties of the 20th century. This exposition hangar stages also various types of military aircraft and aviation equipment.

In the **Exposition hangar 2** there is a display of the armored vehicles and military motorcycles used by the ČSLA up to the nineties of the last century.

In the **Exposition hangar 3** are displayed various types of tanks and artillery equipment used by the ČSLA up to the nineties of the last century.
